

# **BIZZFLOW | OUTBOUND + OPS HUB**

## ***OPS HUB FOR SMALL TEAMS***

*More clients. Less hustle. Run lean, grow smart.*

# Why we exist:

Running a business as a solo founder or small team often means wearing every hat — from delivery to marketing to chasing clients.

That's where BizzFlow comes in.

We're your lean sales & operations partner, designed for self-employed professionals and teams of 2–10 people who need growth but don't want the overhead of hiring sales staff or admin support.

# Our Mission

To help small teams and solo founders scale with the same professionalism and systems as larger companies — without the cost and complexity.

Kingsley Eyita – Founder, BizzSquad Sales and BizzFlow

# What We Do:

At BizzFlow, we build your outbound engine and keep your business running smoothly with light operational support

*Outbound Sales Campaigns → We source targeted prospects, run LinkedIn + email outreach, and book qualified calls directly into your calendar.*

*Operational Support → From proposal templates and basic admin to keeping your social media active, we help you look professional and save time.*

*Reporting & Insights → Transparent dashboards show you what's working — outreach, replies, and booked calls — so you always know your ROI.*

# Why Small Teams Love BizzFlow

- ✅ Predictable Growth → A steady pipeline of conversations without hiring SDRs.
- ✅ Hands-Off Delivery → We run the outreach and busywork, you focus on serving clients.
- ✅ Professional Image → Proposals, posts, and reviews that build trust with prospects.
- ✅ Flexible Packages → From lean outbound only to full sales + ops hub support.
- ✅ Proven Expertise → Backed by 8+ years in business development with global enterprise wins (Nestlé, Lonza, Sulzer, Swisscard, Gunvor).

# The Team

**Kingsley - Founder**

With 8+ years in international business development, Kingsley has led outbound growth for brands like Nestlé, Sulzer, and Lonza. He now helps small teams and founders scale with the same enterprise-level systems, packaged into lean, hands-off services.

**Fred - (AI persona)**

Fred is the engine behind BizzFlow's outbound. He manages prospecting, campaign workflows, and follow-ups at scale, ensuring every client gets consistent outreach without the cost of building an SDR team.

**Jenni - (AI persona)**

Jenni keeps everything running smoothly for our clients. From coordinating campaigns and reports to handling operational support, she makes sure founders and teams can focus on what matters most — their clients.

# More on Kingsley

With over 8 years of international business development experience, I've helped global brands and lean teams alike build pipelines, open new markets, and secure multimillion-dollar accounts.

Before founding BizzFlow and BizzSquad Sales, I worked with companies across Switzerland and Europe, successfully leading outbound strategies and account expansions for some of the world's most recognized names.

**SULZER**

## ◆ Why Work With Me?
